No.F.2-1/2019(ATD)-NVS(Estt.II)/1232

July 15, 2019

**NOTICE**

**Annual Transfer Drive 2019 – Processing of Transfer Database**

This is to bring into to the notice of every stake holder that processing of the data of ATD 2019 is being delayed due to erroneous data/information submitted by a large number of employees and erroneous approval of large no. of applications at subsequent level of Principal as well as the Regional offices.

The process of rectification of the database is under process by the designated agency in consultation with the NVS Head quarters and the transfer lists are expected in a phased manner very shortly. It is very important to mention that the same errors had also been noticed in ATD 2018 which had resulted into preparation of revised list of Round 01 of ATD 2018. The casual approach of stake holders at different levels has again been noticed in ATD 2019 and is being viewed very seriously by the competent authority. Appropriate administrative action against the employees / officers who have submitted and/or approved erroneous data leading to such a delay in accomplishing transfer drive, is under contemplation.

This issues with the approval of the competent authority.
